* Fixed water charges for Eskdale are calculated on a 50% loading above the standard fixed rate. Any increase in meter size, for this system will be charged on the same basis.

APPLICATION OF PRICES

1. Trade waste discharge limits

Trade waste discharge limits for Total Dissolved Solids, Oil and Grease, Ammonia, Sodium, Total Oxidised Sulphur and pH are agreed based on individual circumstances.

2. Cistern charges

Cistern charges apply to non-residential properties and are levied on each additional cistern in excess of 3 cisterns.

3. Vacant land charges

There are no vacant land charges except where services are established to new communities and fixed charges (for all connected lots) are incurred in order to ensure these small systems are viable.

4. Miscellaneous fees and charges

Information statements – provides information on rates and encumbrances on the requested property. This is usually requested at the time of a property settlement or change in commercial lease.

Special meter readings – incurred when the meter is required to be read when a tenant moves out of a property, outside of our scheduled meter reads.

Septic disposal charge – incurred on a per kL basis for receiving, treating and disposal of residential wastewater.

Septic disposal charge – incurred for receiving, treating and disposal of wastewater per portable toilet.

New wastewater connection (standard residential) – cost associated with the connection of a single residence to the sewer reticulated network.

New wastewater connection (other residential) – cost associated with the connection of other residences to the sewer reticulated network, such as a block of units.

Wastewater connection alterations – incurred as a result of changing a drainage plan on an existing residential dwelling.

Water tapping fee – this fee is charged for the physical connection of a pipe to our reticulated water network.

Water connection fee – this cost is charged when a customer first connects to our network, is established on our billing system and includes the cost of the water meter.
