Dear Mrs Yaxley,

Application for Registration in the National Electricity Market

I confirm the registration under the National Electricity Rules (Rules) as follows:

| | |
|------------------------------------|---|
| Applicant | Ferguson Wind Farm Pty Ltd |
| Applicant's ABN | 94 608 631 321 |
| Registration Category | Generator Market Generator Non-Scheduled Generator Intermediary |
| Facility | Ferguson South Wind Farm, Units 1-2 |
| Acting as Intermediary for | BayWa R.E. Projects Australia Pty Ltd (ABN: 51 606 343 757) as the Controller and Operator of the Facility. |
| Effective Date | This registration will take effect 23 March 2021. |
| Registration Application ID | GEN0003730 |

The ACCC has granted an Authorisation under the *Competition and Consumer Act 2010* in relation to certain conduct involving AEMO and AEMO Industry Participants for the purpose of responding to the current pandemic until 31 May 2021. We will now seek the approval of the ACCC for the Applicant to have the protection of the Authorisation.

AEMO offers assistance to Registered Participants and interested parties through a number of services and information sources. If you require further information, you can use these in the first instance:

- AEMO website: www.aemo.com.au - the site contains a broad range of information and data relating to AEMO, gas and electricity operational information.
- AEMO Information and Support Hub: 1300 236 600 or supporthub@aemo.com.au. This is the first point of contact with AEMO for:

- Information on AEMO's activities and the energy industry.
- Participant issues connecting to and accessing AEMO IT systems.
- AEMO Onboarding: 1300 236 600 or onboarding@aemo.com.au- if you require further information relating to new registrations or changes to your existing registration.

Yours sincerely,

Paul LeFavi

| Effective Date | This registration will take effect 28 July 2020. |
| Registration Application ID | GEN0003761 |

The ACCC has issued an Interim Authorisation in relation to certain conduct involving AEMO and AEMO Industry Participants during the current pandemic. To ensure the Applicant is also covered by the Interim Authorisation, we will now apply to the ACCC on the Applicant's behalf for it to be recognised as a New Participant for the purposes of the Interim Authorisation

AEMO offers assistance to Registered Participants and interested parties through a number of services and information sources. If you require further information, you can use these in the first instance:

- AEMO website: www.aemo.com.au - the site contains a broad range of information and data relating to AEMO, gas and electricity operational information.
- AEMO Information and Support Hub: 1300 236 600 or supporthub@aemo.com.au. This is the first point of contact with AEMO for:
 - Information on AEMO's activities and the energy industry.

- Participant issues connecting to and accessing AEMO IT systems.
- AEMO Onboarding: 1300 236 600 or onboarding@aemo.com.au- if you require further information relating to new registrations or changes to your existing registration.

Yours sincerely,
