**Subject:** Marinus Link Transmission Licence High Voltage Direct Current (HVDC), 320kV - Tasmanian Govt

I absolutely Object to this illogical, environmentally destructive, RuinaBULL plan that is a complete waste of Public Money with no benefits whatsoever for Tasmanian or Australian people. As part of the Fake Green RenewaBULL Solar/Wind Grift & Ponzi Scheme/Scam - it's a totally dodgy, unethical, disingenuous scandal with no integrity, no scientific determination & no engineering facts - funnelling huge amounts of public money into the Fake Green gravy train that's intentionally ripping-off everyday Australians & causing our skyrocketing electricity prices & cost of living crisis!

I DO NOT CONSENT TO MY FAMILY OR MYSELF BEING DETRIMENTALLY HARMED IN ANY WAY BY THIS GHASTLY, ENVIRONMENTALLY VANDALISING MARINUS LINK TRANSMISSION PLAN & ITS CONSEQUENTIAL LARGE-SCALE INDUSTRIALISED SOLAR/WIND ELECTRICITY GENERATING WORKS, BESS & OTHER ASSOCIATED UNNECESSARY MULTIPLICATION OF TRANSMISSION LINE/INTERCONNECTOR

INFRASTRUCTURE IN TASMANIA/AUSTRALIA - including but not limited to:-

\*\*Public Health & Safety Risks - Personal Discomfort & Health Impacts from Electrical Force/ EMR & Deprivation.

\*\*Contamination of Life Sustaining Food Resource Land, Food Supplies & Water Sources.

\*\*Unplanned for, Not Even Researched & Not Appropriately Assessed, Toxic Carcinogenic & Teratogenic Fire/Smoke Hazard Risks.

\*\*Energy Deprivation - Lack of Reliable, Affordable Electricity - Resulting from Inferior, Unreliable Solar/Wind Generation causing Austerity, Suffering, ill Health & Loss of Basic Services.

\*\*Consequential Skyrocketing Electricity Prices - Causing Unnecessary Cruelty & Hardship, Cost of Living Crisis & Potential Death from Hyperthermia.

\*\*Unjust Mistreatment of Landholders & Rural Communities Forced to Endure Such Detrimental Plans - Causing Extreme Distress, Anxiety, Depression, Grief, Family/Social Fracturing & Loss.

\*\*Deprivation of Rural Outlook & Quality of Life - With Unhealthy, Distressing Noise, Infrasound & Visual Pollution.

\*\*Emotional Distress, Anxiety & Fear Caused by Government Inflicted Skyrocketing Energy/Cost of Living Crisis.

\*\*Detrimental Consequences of increased SF6 emissions.

\*\*Increased Economic Hardship due to Failure of Councils to do their Due Diligence, to Address Compliance, to be Transparent & to be Honest, to Address the Facts & Community Concerns, ie. Additional Council charges for Flawed Assessments & Wrong Approvals - Leading to Unplanned for Clean up & Remediation Costs for Abandoned, Derelict, Contaminating Solar/Wind EG Works & BESS.

\*\*Any Detrimental Cost Implications for Ratepayers from the Council's & any NSW/Federal Government Body's Persistence in Ignoring Their Duties Regarding the Unethical Hosting, Procurement & Power Purchase Agreements With Energy Generation Reliant on Unethical Slave Labour Supply Chains.

\*\*Loss of Productivity & Income Due to Contamination, Increased Fire Risk & Heat Island Impacts from Solar/Wind EG Works & BESS.

\*\*Any Cyber Security Breaches or National Security Threats & Harm Caused.

\*\*Any Costs Incurred for Ratepayers & Taxpayers by Dealing With the Obvious, Economic Suicide - the Financial Consequences for the Future of Making Seriously Retrograde Decisions by Hosting & Approving Such Harmful Solar/Wind EG Works, BESS & Associated Unnecessary

## OFFICIAL

Transmission Infrastructure.

### **CONNECTING SUBSIDISED & MANDATED, INTERMITTENT SOLAR & WIND POWER TO THE GRID IS THE WORST POLICY BLUNDER IN OUR HISTORY!!**

#### **DUNKELFLAUTES WILL**

#### **BE POTENTIALLY CATASTROPHIC!!**

<https://www.spectator.com.au/2022/11/the-voice-of-energy-realism/>

Solar/Wind utilities cannot be maximised simultaneously & should never be interfering with our once reliable & efficient electricity grid.

Any Power Generation Source That Can't Deliver Electricity On Demand is Pointless!

Hideous ecosystem-wrecking industrial Solar/Wind EG Works, BESS, associated infrastructure & invasive, unnecessary multiplication of Transmission Lines for such a costly, contaminating & wasteful form of electricity generation is illogical lunacy!

Just like Federal Environment Minister Tanya Plibersek's claims that increased renewables mean "CHEAPER, CLEANER ENERGY, LOWER POWER BILLS & LOWER POLLUTION" (SMH 10th April 2023,) these empty promises are totally false!

The demand for 'green' power hurts the environment - with an appallingly huge environmental footprint, only rendered worse by their ineffectiveness at meeting basic power needs.

Inferior, intermittent, Fake Green renewaBULL energy disturbs our independent way of life, denies us modern conveniences, affects our security, economic prosperity, our health & wellbeing & destroys Intergenerational equity for future generations.

#### **MARINUS LINK & consequential**

#### **Solar/Wind Electricity Generating Works, BESS Plans & their Irresponsible Approvals Have Neglected to Accurately Address All of the Following:-**

\*\*Food Security + Australian Energy Security = National Security

\*\*Australian Independent Energy = Coal, Gas & a clean, safe, Nuclear SMR Power future.

\*\*Which companies involved & all of their Solar/Wind/BESS connections are subject to the CCP's National Intelligence Law?

\*\*Public Health & Safety Risks - Electric Force & Electromagnetic Radiation, Soil/Food/Water Contamination, Energy Deprivation.

\*\*Proper Research Needed - No Scientific Rigour.

\*\* Engineering Facts Have Been Ignored.

\*\*Connecting Subsidised, Mandated Weather Dependent - Intermittent Solar/Wind to the Grid is the Worst Policy Failure in History.

\*\*Fake Green - Not Clean & Green or Sustainable at all - as the Full Lifecycle of Solar/Wind/BESS has to be accounted for.

At least 1,000% more Mining + intensive energy & toxic pollution during processing.

\*\*Power Sources Needed in major City areas instead - avoiding long distance transmission loss, ruination of rural Australia & harming Agricultural productivity.

\*\*Unconscionable scale of Industrialised Solar/Wind land mass required.

Michael Shellenberger says it's approx 300-800 times more land required for Solar/Wind than for far superior conventional power generation.

\*\*Massive Toxic Waste Burden being intentionally created for future generations that will NEVER be economically viable to recycle - if ever even possible.

\*\*Energy Security risks from inferior, unreliable, weather dependent, Dunkelflaute based Solar/Wind which will NEVER be base-load power available on demand.

\*\*Economic Suicide - Skyrocketing Energy Prices = Cost of Living Crisis. The more Mandated, Subsidised Solar & Wind in the system = the Higher the Prices.

## OFFICIAL

\*\*National Security Risks - we need to rely on our own AUSTRALIAN Energy Sources rather than our Most Hostile Enemy - the CCP.

\*\*Fake Green Wokeness = Weakness

\*\*Unethical Slave Labour Supply Chain Reliance - Solar's cruelly tortured Xinjiang Uyghurs & Cobalt for Wind Turbines + Batteries reliant on shocking treatment of the Congolese - with Child Labour - children as young as 6 years old forced to mine toxic cobalt in the Congo with their bare hands!

\*\*No Social Licence - Failed Consultation process by GOVERNMENTS, AEMO, NETWORKS & DEVELOPERS.

\*\*Immediate Moratorium & Federal Independent Inquiry is Essential
