

## Water price review 2023

### Submission received through Engage Victoria

Date submitted: 4 May 2023

Water business: Coliban Water

Submission written by: Alanna Moore

Postcode: 3437

In December 2022, we began accepting submissions on our 2023 water price review draft decisions via Engage Victoria ([www.engage.vic.gov.au](http://www.engage.vic.gov.au)). On this website, people were given the option to send us general feedback or respond to questions we provided.

1. What do you think of our draft decision on the prices proposed by your water business?

I'm advocating that the option to opt out of so-called 'smart water meters' will be retained. As an electro-sensitive customer it is important for me to minimise radiation, radio frequency electro-pollution, in the home and environment. Please leave this choice for customers! Thankyou.

2. What do you think of our draft decision on the business performance and their future service commitments?

3. Is there anything else we should consider before we make a final price review decision?
