Subject: RE: PREMO rating for price submissions - ESC staff paper open for submissions

Dear Marcus,

In your Staff Paper *Assessing And Rating Premo Price Submissions - A Consultation Paper Prepared By Commission Staff* , you requested specific feedback on two proposed options for scoring PREMO ratings. Based on the options presented, CWW's preference is for the Commission Staffs' alternative 'graded scoring approach' as set out in Section 4.3.2 of the Staff Paper.

Thank you for the opportunity to provide this feedback.

Regards,
Richard
